## COMPETITION

The weekend of 13 and 14 July in the town of Valderrobres a new test of biketrial, Championships of Europe and Spain, will take place with the best drivers in the world participating in this competition. An incomparable setting for this event, the Matarraña is a small region of the province of Teruel in Aragon autonomous community, a region with great tourist attraction that many already catalogued as the Spanish Tuscany.

Trial Matarraña is a club with much experience in organizing sports events and want to arrange a weekend dedicated to the biketrial why it fails to conform to only biketrial competition but on Friday afternoon will be held an exhibition of biketrial in a town near Valderrobres to go warming, the Saturday afternoon inside the Sports Pavilion will be a trial test combined with speed where you can win prizes for all the participants.

**View of the entrance of the village**

And on Sunday the test star Europe Biketrial Championship and Championship of Spain in a spectacular landscape with 7 natural areas and a type indoor that will delight and vibrate to the present public
